

## Ambitious Commercial Solicitor

- **leading regional firm**
- **sunny Tauranga location**
- **5 years + PQE**

Join our dynamic commercial team in one of New Zealand's leading regional law firms, as we prepare to shift to attractive new premises in a striking, environmentally friendly, GreenStar-rated building.

Sharp Tudhope Lawyers does a wide range of interesting, high quality commercial work for premier business clients in the Bay of Plenty, nationally and internationally.

As a senior commercial solicitor, you will work in a high performance team. You will gain experience across a broader range of commercial work, with greater client contact and more autonomy than you are likely to encounter in larger, big city firms. You will work closely with highly experienced commercial partners. You will have excellent prospects of building your own practice and taking your career to a highly rewarding level.

Sharp Tudhope offers professional development in a supportive collegial environment. The firm is committed to achieving a work and life balance which successfully combines a total commitment to clients, focused effort and the recognition that a full professional life includes time for family, friends, personal well being and varied interests.

You will also find that Tauranga offers a great climate, fabulous beaches, a wide range of recreational opportunities and a relaxed social environment.

You are motivated, enthusiastic, and energetic.

You have 5 years + experience in general commercial and corporate practice with a well regarded commercial firm.

You have a good academic record, with strong analytical and problem solving skills, and can show attention to detail.

You have the experience and confidence to work autonomously, and the judgement to know when to refer up.

You are genuinely interested in business and like to work in partnership with clients.

You are a good communicator, able to build rapport with clients.

You embrace business development opportunities.

You demonstrate leadership potential and are a team player.

We offer a highly competitive remuneration package, with opportunities for rapid advancement in line with performance.

Take this opportunity to accelerate your career with a leading regional firm located in a wonderful environment. Closing date 22 August 2010.
